

# Connecting for the first time

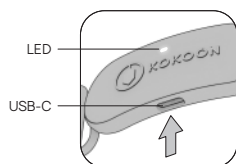

## 1. MyKokoon app

Install and open the MyKokoon app.

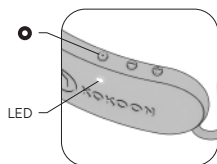

## 2. Charging

Connect the headphones to a power source, using the USB-C cable.

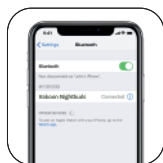

## 3. Powering on and Pairing\*

To turn the headphones on and enter pairing mode, hold the **○** button until the LED flashes blue.

Turn on Bluetooth® on your phone. Select "Kokoon Nightbuds" in your Bluetooth® settings.

\*Before powering on and pairing, the device must be off.

\*Pairing only required for first connection.

Answer call	Single click <b>○</b>

## Important care information

To maintain good sound quality, clean the acoustic nozzle regularly using an alcohol-based cleaner on a cotton bud. Clean the silicone sleeves with soapy water, rinse and dry thoroughly before re-assembly.
